Hugo Gianpierre Salazar Leiva

Ruby On Rails Developer | Web Developer

Lima, 15487 • (+51) 918090799 • hugog.salazarl@gmail.com • linkedin.com/in/hugogsalazar/

_____

Ruby On Rails Developer with practical experience in building web applications using front-end and back-end technologies like JavaScript, Sass, PostgreSQL, API integration, and Heroku deployment. With a background in Economics and over 4 years of experience in telecommunications, I bring creative problem-solving, teamwork, and a focus on innovation and process optimization.

Skills & Other

Technical Skills: Ruby on Rails, MVC, OOP, JavaScript, Git, GitHub, Stimulus JS, Hotwire, Action Cable, SQL, API consumption, Flexbox, Grid, Bootstrap, Sass, Tailwind, Figma, HTML.
Soft Skills: Problem-Solving, Effective Communication, C2 English proficiency, Team Collaboration, Adaptability, Attention to Detail, Curiosity and Continuous Learning.

Education

Web Development & AI, Sep 2024
Le Wagon

- 360-hour full-time bootcamp focused on front-end and back-end development using HTML, CSS, Bootstrap, JavaScript ES6, SQL, Git, GitHub, Heroku, Ruby on Rails, Hotwire, Action Cable, and AI. I designed, implemented, and launched a full web application called Petcare, which connects pet owners with sitters.

Software Engineering, Ene 2024 - Present
Universidad Tecnológica del Perú (UTP), Bachelor's Degree

- Currently in the first year of a comprehensive five-year program, focused on mastering the key processes of software development. Gaining hands-on experience with the full software development lifecycle, including requirements analysis, design, implementation, testing, and deployment.

Experience

UTP, Perú
Educational Advisor   Oct 2022 – Jul 2024

Provided tailored advice to over 800 applicants, focused on the needs of each university applicant, using effective communication and teamwork to solve problems. Contributed to making our campus the top sales performer nationwide.

TERCERIZA**,** Perú
Back Office Executive   May 2020 – May 2022

Monitored KPI's for 3 sales campaigns, improving performance by 10% through detailed reporting and strategic analysis. Produced periodic performance reports for stakeholders, enabling data-driven decision-making and alignment with business objectives.
